

# Covering the Optical Communications Industry at the Speed Of Light

---

# 2026

**FiBRE**  
SYSTEMS

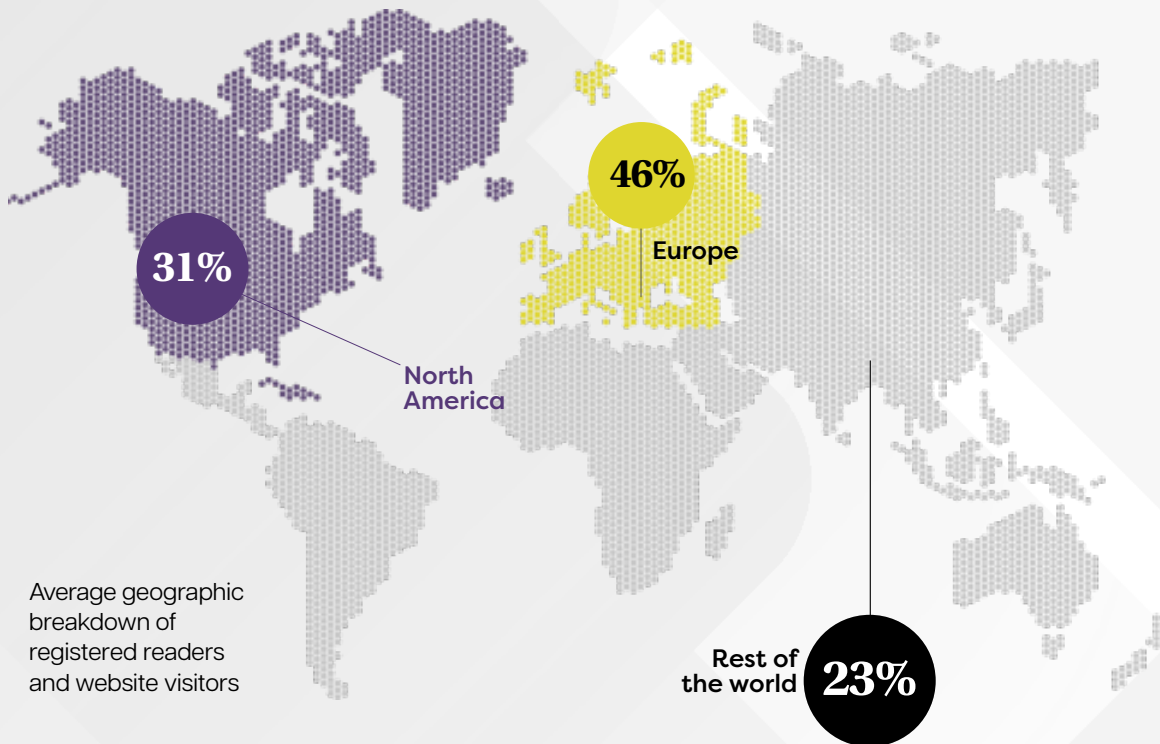

# Audience Insights

# 14K

Registered users

## Audience types

- Telecommunications
- Data centres
- Internet service providers
- Broadband providers
- Network equipment manufacturers
- Fibre optic manufacturing
- Research
- Government/Public Sector

## Companies that engage

Logos for BT, Verizon, Virgin media, O2, AT&T, and xfinity.

# Editorial Topics

**Keely Portway | Editor**

More than a decade of industry experience.

**Email:** keely.portway@europascience.com

Area	Related Topics
<b>Network Design</b>	Network automation, 5G fronthaul/backhaul, Submarine networking, AI-ML, Switches and routers, High-performance computing
<b>Optical Components/ Subsystems</b>	Lasers, Pluggable optics, Photonic integrated circuits, Silicon photonics, DSPs, Optical transceivers, Co-packaged optics
<b>FTTx</b>	Access network optics, MDU broadband technology, Broadband
<b>Test</b>	Network troubleshooting and monitoring, Installation and verification testing, Lab/R&D testing, Production and manufacturing testing, Test automation
<b>Data Centres</b>	Data centre transceivers, Cabling and connectivity, Data centre interconnect, Active optical cables
<b>DWDM/ROADM</b>	Packet-optical transport & OTN
<b>PON</b>	EPON/GPON/10G-PON/25G PON, Passive optical LAN
<b>Cabling</b>	Fibre and cable, Cable hardware and enclosures

# Sponsored webcasts

Webcast sponsorships generate high-quality leads and are an effective way to align your brand with engaging, audience-friendly content.

On average, Fibre Systems webcasts generate 150+ leads.

## Types and pricing

### Exclusive: \$10,000 - £7,480

Sponsor selects the date and topic.  
Our editor will moderate.

### Multi-Sponsor: \$6,000 - £4,485

Technology topic and date selected by the editor. Multi-sponsor (up to four companies).

- Sponsors may present, abiding by editorial criteria, and Q&A is moderated by the editor. Sponsors can also be silent.
- Sponsors will receive a full list of registrants at the close of the webcast and 30 days after.
- Webcast to be available on-demand on the Fibre Systems site for 12 months, and on our YouTube channel thereafter
- All attendees will receive a certificate of completion.

Date	Multi-sponsor opportunities
May 14th	The Photonics Switching Revolution
May 27th	AI Training Clusters - Building the Optical Backbone
June 10th	DWDM Ecosystem Evolution & Network Automation
June 16th	Scaling AI infrastructure: High-fibre-count cabling strategies for data centre and campus networks
June 24th	The New Era of FTTH & Fibre Access
June 30th	Can Fibre Keep Up with AI? Rethinking Data Centre Interconnect
July 22nd	Open Access Networks Multi-Domain Architectures
September 2nd	Subsea networks
October 28th	25G/50G and 100G PON Technologies
November 11th	Fibre Optic Connectors, Connectivity & Intra-DC Solutions
December 9th	Pluggable Transceiver Revolution

# AI and the Optical Network: Operational Intelligence Roundtable

**Date: September 30th, 10am EDT**

## Platinum sponsor benefits:

*Platinum sponsors are limited to a maximum of four.*

- Able to ask up to two proprietary questions in the survey
- Early access to survey data
- Seat on the webcast roundtable panel discussion
- Company logo listed on all promotional materials to build audience and leads for the webcast and the executive summary report
- Logo on the executive summary report
- Leads generated from webcast and the executive summary report

**Cost: \$17,500 - £13,000**

## Please note:

- No competitors allowed on the panel without consent from sponsoring companies

## Gold sponsor benefits:

*Gold sponsors are limited to a maximum of four.*

- Company logo listed on all promotional materials to build audience and leads for the webcast and the executive summary report
- Logo on the executive summary report
- Leads generated from the webcast and executive summary report

**Cost: \$12,000 - £8,970**

# Technology Spotlights

Technology Spotlights consist of 3-4 articles written by technology experts on one specific topic.

Sponsorship is limited to a maximum of four sponsors.

## Benchmark performance:

70+ leads by 90 days

## Pricing

\$6,000 - £4,485

## Sponsorship Benefits

### Lead generation

You receive detailed contact information (name, job function, company, email & country) for users who download the report.

### Thought leadership

Showcase your position as an industry leader. Sponsors are invited to contribute an article (in compliance with editorial criteria) or provide an accompanying case study/white paper for the report.

### Brand awareness

Strengthens your company image and helps define how purchase influencers perceive your company and products.

## Sponsorship Inclusions

- Access to all of the leads generated
- One full-page advert supplied by sponsor
- Company description (name, short overview and URL)
- An exclusive email promoting the topic and sponsor/s, directing to the content on fibre-systems.com
- Sponsor logo on the front cover

Month	Multi-sponsor opportunities
JANUARY	The 800G Opportunity
FEBRUARY	Data Centre Network Advances
MARCH	Innovation in Optical Transceivers
APRIL	Supporting 5G Operators with Fibre
MAY	Metro Networks Evolution
JUNE	Innovation in Optical Components
JULY	Advancing Data Centre Interconnection
AUGUST	Next Gen PON
SEPTEMBER	Raising the Pluggable Transceiver Bar
OCTOBER	Fibre and Cable Trends
NOVEMBER	Cable's Fibre to the X- play
DECEMBER	Technology Forecast for 2027

Note: Months, themes, and topics are subject to change at the editor's discretion

# Website advertisements

**Our website adverts offer exposure across a range of topics, along with sustained visibility.**

All advertising will appear across desktop and mobile devices. When rotating between creatives, adverts are allocated an equal share of impressions.

# 4.3K

**Monthly site views\***

## Box advert

- (Up to 3 ads, monthly)
- Position:  
on the right hand side of all pages
- Spec requirements:  
URL, 300x250px, 300x100px

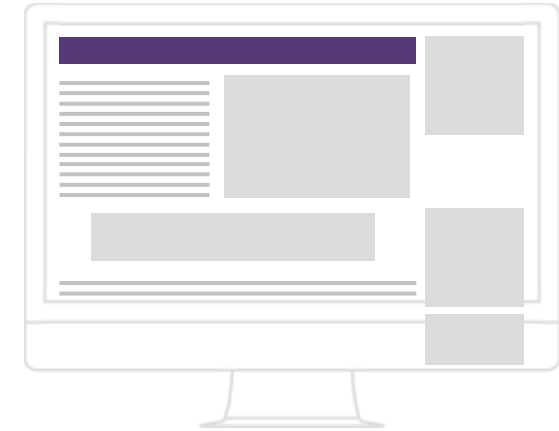

**Pricing - \$1,790/mo - £1,340**

## In-content advert

- (Up to 4 ads, monthly)
- Position:  
between paragraphs on all articles
- Spec requirements:  
URL, 728x90px, 300x100px

**Pricing - \$1,790/mo - £1,340**

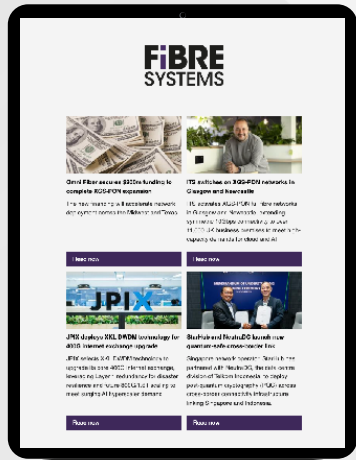

## Leaderboard advert

- (Up to 2 ads, monthly)
- Position:  
at the top of the site, on all pages
- Spec requirements:  
URL, 728x90px, 300x100px

**Pricing - \$2,745/mo - £2,055**

# Email newsletters

Reach our engaged base of readers through a selection of topical and general content.

## Weekly Digest (2x weekly)

Reach our readers on a weekly basis with our regular news update

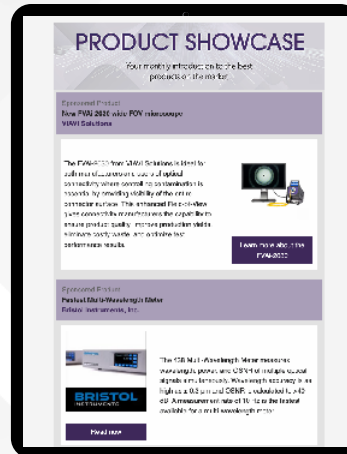

Newsletter Banner Advertising  
Pricing - \$1,600 - £1,200

All advertising will appear across desktop and mobile devices.

Send creative to: [production@europascience.com](mailto:production@europascience.com) at least seven business days in advance of the advert start date.

## Show coverage

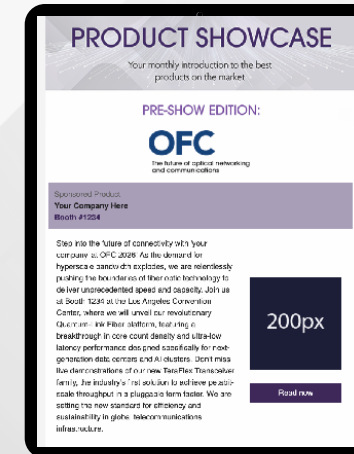

- Data Centre World London (4-5 March)
- OFC 2026 (17-19 March)
- FTTH Europe (14-16 April)
- Data Centre World (21-23 April)
- Anga.com (19-20 May)
- Fiber Connect (17-20 May)
- Connected Britain (9-10 September)
- CIOE (9-11 September)
- ECOC (21-23 September)
- SCTE (29 September-1 October)
- APC/PECC (19-21 October)
- Super Compute (17-19 November)

## Product Showcase (Monthly)

Showcase your latest product offerings in a monthly wrap-up

Product Entry Advertising  
Pricing - \$1,000 - £750

## Pre-Show Product Showcase

Broadcast your offerings - and presence - at any of this year's biggest trade shows

Show Preview Advertising  
Pricing - \$1,200 - £900

# Video Shows

**BRAND  
NEW**

**Exclusive opportunities to feature in our video coverage of the shows this year. Interviews and more, direct from your booth at the event.**

## OFC Video Show Daily

**A 60-90 second video commercial which will be embedded into Keely Portway's editorial coverage for each day of OFC.**

- Limited to a maximum of three sponsors per day.
- Sponsor video interviews will be filmed at their booth, using our experienced video team.
- Sponsors' logos will be included in all three show dailies.

**Pricing: \$4,000 - £2,990**

## OFC/ECOC Exclusive Video

**A 3-4 minute video, filmed at your booth.**

- Videos will be deployed in their own e-newsletter in the weeks following the show.
- Only one exclusive video will be deployed each day.
- Sponsors who sign up first get their video deployed closest to the show.
- The first deployment will be the first week following the show.

**Pricing: \$5,000 - £3,740**

# Sponsored article

**Increase your brand visibility with search-engine-optimised content created in a unique article published online.**

Contributed, hosted article cost is  
**\$1,950**

The wordcount will be 1,000 words, with a 50-word summary.

We will promote it in our newsletters, emails, and social channel to deliver a minimum of 3,000 content views.

Branded (written by us) article is  
**\$3,250**

We will promote it in our newsletters, emails, and social channel to deliver a minimum of 4,000 content views.

**Here's a link to an example on our sister title:**
