

FEATURED CASE STUDY

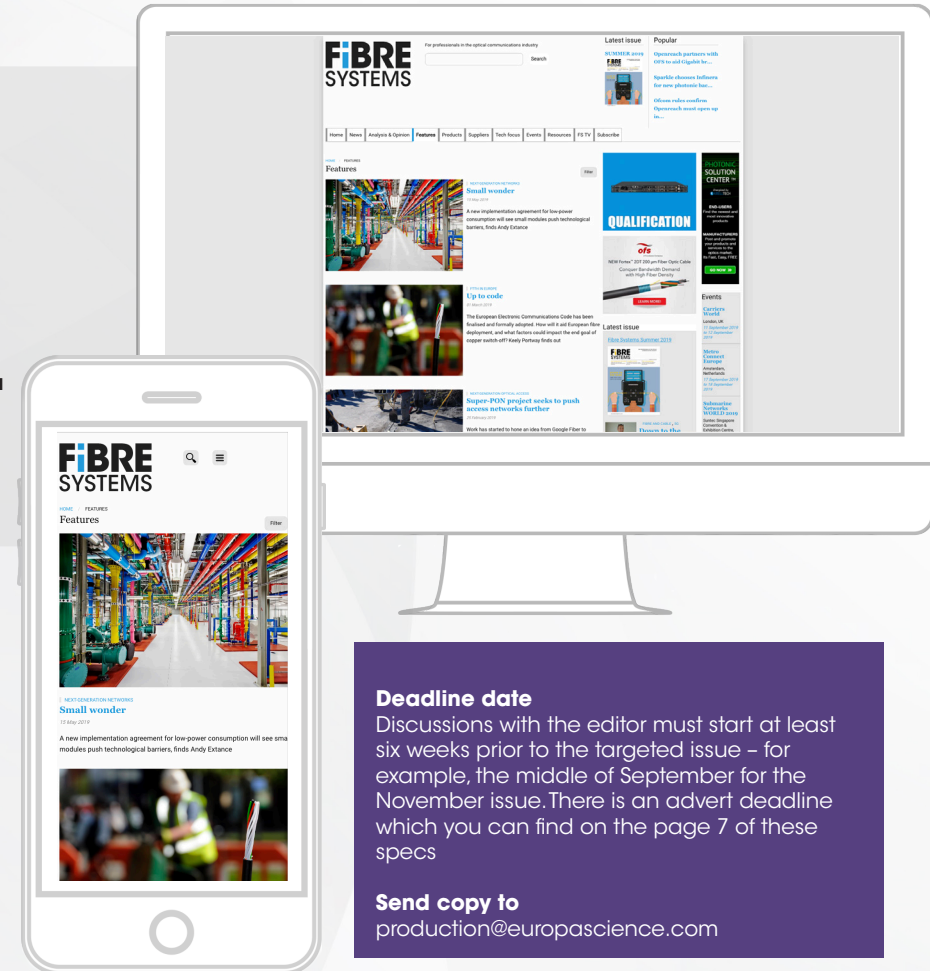

A featured case study is designed to place your real-world story alongside our existing editorial – this means that you should think hard about your submission.

Considerations to make your case study a success:

- **Is my case study in context with the associated article? Ask the editor – we can help.**
- **Is 750 words enough? If you've got a great story then make sure you let us know if you're struggling to fit it in. We could help edit, or we could increase the space. The point of this product is that between you and Fibre Systems, we give the reader a better experience – if the story is great, let's tell it!**
- **Talk to us throughout. If you have more than one idea as to potential, relevant case studies, then let us know – we could advise on which to pick.**
